

GENTLE SOOTHING MASK

CODE: CF28

• INDICATION:

For dehydrated, dry and fragile skin.

• BENEFICE:

It provides all the vitamins, proteins and moisturizing ingredients necessary for the cellular life of the skin. Rich in nourishing, moisturizing* and soothing active ingredients, the Soothing Gel Mask balances and moisturizes dry and dehydrated skin. It also maintains the firmness and suppleness of the skin, giving a fresh and radiant complexion and restoring beauty.

• ACTION:

The Aloe Vera allows the cells of the skin to retain their water. It has a very effective moisturizing action giving an excellent balance to the skin.

The Allantoin it is an emollient and soothing properties. It restores comfort and suppleness to the skin.

Microliposomes: diffuse the active ingredients rapidly which means you need to leave the mask on for only 10 minutes.

Blue Algae Extract (Spiruline): concentrated microcapsules of Blue Algae, are very rich in protein, giving a nourishing effect due to the vitamins A, E, F, K and C. These vitamins are responsible for the anti-oxidizing and anti-free radical effect on the skin, and work to retard premature ageing of the skin.

*upper layers of the epidermis.

• APPLICATION:

Apply the mask in thick layer on the face and neck by avoiding the eye contour.

Leave it 10 minutes and take off delicately with wet sponge in tepid water.

• INGREDIENTS:

Microliposomes containing Blue Algae Extracts (spiruline), Aloe Vera, Allantoin.
