

## PURIFYING CREAM

**CODE :** PC05

**INDICATION:**

Oily skin.

**ACTION:**

This fluid and lightweight cream addresses the specific needs of combination and oily skins. It help to lower excess of sebum and skin shine.

**BENEFICE:**

The active ingredient derived from an extract of Enantia Chlorantha bark (african tree) reduces pores size. Meanwhile, an extract of Witch Hazel tightens enlarged pores. The combination of these two actions results in a refined skin texture.

An for an immediate visible effect, matifying powders allow to absorbsebum in excess.

**APPLICATION :**

Apply every morning, the Purifying cream softly rebalances the skin, giving it a matte look and an enhanced complexion.

**INGREDIENTS :**

Bark of Enantia Chlorantha (African Tree), Hamamelis extract, Paraben Free
